Grants Coordinator

The Family Court – Juvenile Division’s Grant Coordinator has the responsibility of directing and monitoring all grant programs. The coordinator works closely with all departments in the Family Court to develop new grant programs and ensure that ongoing grant programs are up-to-date.

ADA Coordinator

The ADA Coordinator ensures that the needs of the Court’s disabled clients are met as well as ensures that the Family Court – Juvenile Division is compliant with ADA.

What is ADA?

ADA is short for the “Americans with Disabilities Act”. The ADA are federal regulations which prohibits discrimination on the basis of disability in all services, programs, and activities provided to the public by state and local governments.

What is the Court’s Compliance with ADA?

In maintaining compliance with ADA, the Family Court – Juvenile Division strives to ensure that clients and visitors to the Court with disabilities are accommodated.

The goal of the Family Court – Juvenile Division is to have adaptive access facilities at each of the buildings.

Currently the Main Court located at 920 North Vandeventer Avenue is handicap accessible as is the Court’s Annex building located at 3827 Enright.

The Court has access to listening and captioning devices for hearing impaired clients. In addition, sign language interpreter services can be accessed. For clients needing to have telephone contact with persons at the Court, a TDD telephone is available.

What Other Services Are Available?

As the St. Louis Metropolitan area becomes more multi-cultural, the Court’s clientele mirrors the population of the area. The Court has resources to accommodate its non-English speaking clients.

How to access services?

If you are a client in need of accommodations due to a disability or a foreign language interpreter, please contact Mrs. Jan Koch at 314-552-2118 or by TDD at 314-531-6158.
